

Certificate of Conformity

AHBAR INDUSTRIES LLC
9TH St, Umm Ramool
P.O. Box 1, Dubai,
United Arab Emirates

**Certificate of conformity with the FDA 21 CFR 177.1520
for BOPP film using Ahbar Industries 64-Uniprint Ink**

Based on the results of the investigation as reported in Intertek test report RE11937, November 13th 2014 together with:

- declaration(s) by suppliers of raw materials
- FDA 21 CFR 177/1520 end testing on material BOPP film using Ahbar Industries 64-Uniprint Ink series for use at room temperature and long term storage (+30days),

we conclude that the BOPP film using Ahbar Industries 64-Uniprint Ink series was found to meet the requirements for

- the maximum extractable fraction in n-hexane as described in FDA 21 CFR § 177.1520 spec. c1.1a/b.
- the maximum extractable fraction in xylene as described in FDA 21 CFR § 177.1520 spec. c1.1a/b.

This Certificate of Conformity relies on the product recipe disclosed to Intertek Polychemlab, the performed extraction tests and the compliance statements submitted by the raw material producers.

This Certificate of Conformity and the above mentioned test report are limited to the tested samples and do not represent a generally applicable statement on the quality of the continuous production. Any change in the recipe, the raw materials, the production process or the intended use of the above mentioned product can have an impact on the food contact compliance. This certificate is valid as long as no major changes in the relevant regulations occur.

Yours sincerely,

Ruud Scheijvens
Expert Development & Innovation
